MANUFACTURING

Wedding Band Collection

Since 1965, Kury Mfg has been providing gold jewelry with the best quality & service. What started as a small business in a house garage now boasts with over 1,000 styles & customers [illegible] the USA, to Caribbean and Latin America.

In the year 2000, Kury introduced its Wedding Band Line, 400 styles of gold wedding bands with the [illegible] and the quality customary Kury fine jewelry. The wedding band line is kept growing with the request of customer. Now wedding bands are available in over 600 styles, over [illegible] gold & with a number of finishes & designs.

It is with great pride that we introduce our new Wedding Band Catalog. Inside you will find all our wedding style together with the new styles. We can make the ring to fit your finger size.

Softa | *Diamonds* | *Feather Weight* | *Reflections*

Traditional Styles

Available in a variety of widths, finished & colors
[illegible]

Reflections

The [illegible] wedding band line with Kury's [illegible] light comfort fit. These bands are made to [illegible] the flexibility and quality customary in the gold industry, with a fresh & bright

Feather Weight

Our [illegible] [illegible] light weight band with a fancy design. The Feather Weight have Kury's [illegible] and edge [illegible] that makes a [illegible] [illegible] and [illegible] Most of the [illegible] bands can be converted into a Feather Weight.

Diamonds

Kury's fancy design wedding bands with small diamonds.

Softa

Most [illegible] wedding band. Our Softa line are [illegible] [illegible] [illegible] [illegible] [illegible]
